

SPONSORSHIP OPPORTUNITY

The Macomb Township Parks & Recreation Department is gearing up for the 2019 'Special Events' Line-up, and hope we can count on you to support our efforts! Macomb Township Parks and Recreation seeks to provide a valuable return to our sponsors in terms of exposure and advertising, while finding new funding sources to build upon programs and free events for our community.

There are many wonderful opportunities to impact the vision and work of Macomb Township Parks and Recreation, which can be tailored to accommodate nearly every marketing budget. Our sponsorships provide companies and organizations an opportunity to achieve a high degree of visibility within the local community. Our 'Special Event' programs for our community have a broad-reaching appeal and attract high attendance, providing the maximum exposure for our sponsors.

We offer 13 **free** special events annually that are enjoyed by thousands of individuals, residents and non-residents alike. Our patrons appreciate & value these high quality opportunities for entertainment and recreation for their families. We trust you will experience the positive impact of collaborating with us. Consider a sponsorship with us as an investment in your company as well as your community.
